| <p>2.0 Regular Business & Items from Last Meeting</p> | <p>.</p> | |
| <p>2.2 Ice scheduling</p> | <p>-have returned approximately 9 hrs back to the arena since our last meeting. All teams were offered the ice times with the exception of U5/U7, but all teams turned it down. All were returned with more than the 24 hrs and as per our contract, we should not have to pay the full ice cost but that is something Jill would need to look into.</p> <p>-I have handed out all extra ice up to when the goalie camp ends. I will follow up with Dan on when the next session of development starts in the New year and what the plans are for the Thursdays and Sundays Development ice times.</p> <p>-There is a conflict with the boys currently on the Dec 20th day of games. They accidentally scheduled a game at an ice time that was given to us. They have confirmed that they have reached out to reschedule that game again and it will be moved or cancelled by the EOD Wednesday/Thursday but they are aware that it is there. I have also updated the calendars to show the Try it skate that day as well but we should start advertising that. I can ask the arena to add it to the sign out front as well if we want to start having the Day of games on the signage, I can ask for it to be added with the arena as well. If we have an image selected I can ask that it be added to the signs.</p> | |
