The Mooretown Lady Flags Girls Hockey Association invites you to join our 2023/2024 Sponsorship Program. Our hometown association is committed to providing female athletes of St. Clair Township an avenue for personal growth and development through playing the great game of hockey. As athletes learn the fundamentals and skills of the game, they also learn life skills such as teamwork, discipline, sportsmanship, and most of all, FUN! Without the generous financial support from local sponsors, we would not be able to provide such a successful hockey program to the community.

Lady Flags prides itself in keeping hockey affordable for the families of St. Clair Township so we can make hockey accessible to all in our community. Lady Flags is a not-for-profit organization and relies on community support to keep costs to a reasonable level. One of the most significant ways we do this is through sponsorships from local businesses and organizations.

We understand that as a business or organization it can be important to be seen for your sponsorship to the local community and through Lady Flags your support can be seen by thousands. We have introduced wall sign and rink board advertisements. Your business or organization logo and information can be seen on the walls or rink boards in the hockey rink of your choice. We also offer the opportunity to place your name on the backs of team jerseys and on our website.

Thank you for your consideration in helping to keep hockey affordable for our community.

Sincerely,

Greg Vandenheuvel
